 - **Chain of ownership:** Juan is 5-0 vs Marc, but Derek is 3-0 vs Juan.
 - **Title games:** Doug beat the unowned 2023 roster ('Deion') 267.12-243.00, then beat Paul in 2024 (249.46-236.80). Vlad beat Matt Z in 2025 (223.20-220.96). All were two-week finals.

'Deion' = 2023 roster 3, which had no Sleeper owner all season (auto-drafted). It's labeled Deion in league records and made the 2023 final. JRinfidel (2023) has the same Sleeper user_id as KansasCityKings, so it's counted as Juan. Former-vs-former games: 13, all in 2023.

Full season = 13 reg-season H2H games (2023, 2024) or 11 (2025), plus 3 so far in 2026. Playoff = winners-bracket meetings (a two-week round counts once). Jake has never played a winners-bracket game.

Methodology & season formats

- Seasons:** 2023 'Nothing Catchy FFL' (996133920917856256, the league's first Sleeper season; its previous_league_id is null), 2024 (1048417672926547968), 2025 (1180242334892032000), 2026 through Week 3 (1311998258079371264). 2024 lists 2023 as its previous league. 2025's link back to 2024 is null in Sleeper, so the 2024 id comes from league records, confirmed on Sleeper.
- Formats (all 12 teams):** 2023 and 2024: reg season Wks 1-13, 6-team playoff from Wk 14 (1-week rounds, two-week final Wks 16-17). 2025 and 2026: reg season Wks 1-11, 7-team playoff from Wk 12, every round two weeks (12-13, 14-15, 16-17). 2026 counted through Wk 3 only.
- Counted:** real H2H games only (same matchup_id). Weekly median games are never counted. Keyed by Sleeper owner user_id, so it doesn't matter when roster or team names change.
- Playoffs:** every winners-bracket game, including 3rd/5th-place games. A two-week round is ONE meeting, decided by combined score, and every result matches Sleeper's bracket winner.
- Excluded:** 19 losers-bracket (toilet bowl) games (7 in 2023, 7 in 2024, 5 in 2025), Week 18, and unplayed 2026 Wk 4 on.
- Checks:** wins = losses every season: 2023 85 games (78 reg + 7 playoff), 2024 85 (78+7), 2025 75 (66+9), 2026 18. 263 games total. Grid is symmetric. No ties.
